TERMS AND CONDITIONS

STANDARD PAYMENT TERMS:

30 days net.

DEPOSIT REQUIREMENTS:

A 50% deposit is required on all Solid Brass Enclosures. Balance is subject to standard payment terms & conditions.

PRICES:

This price book includes suggested retail list prices and are effective as of May 1, 2007. All prices, discounts, quotations and specifications are subject to change without notice.

PAST DUE ACCOUNTS:

Past due accounts will be placed on "hold". Orders in house will not be processed until the account is within terms.

SHIPMENTS/DELIVERIES:

Customers not in Century's delivery region will be subject to minimal freight charges. Geographic areas outside of Century's delivery zones will be F.O.B. West Paterson, NJ (or nearest Century Warehouse) and will be serviced by Common Carrier deliveries. Century will select carriers by their ability to provide quick delivery and handle our product properly with less risk of damage. Merchandise becomes the property of the purchaser who assumes full risk for loss or damage in transit once the merchandise is placed with the transportation company. We maintain the right to designate carriers, however purchaser may request his/her own carrier.

CANCELLATION / RETURN POLICY:

Orders cancelled while in any stage of production shall be subject to appropriate cancellation charges or forfeiture of the deposit. Defective material only will be subject to return. Requests for a Return Goods Authorization (RGA) must be made within 60 days of the date of invoice. Items accepted for return must be properly packaged.

Glasstec/Brassline units are custom made and will not be eligible for return due to the individualized design of each enclosure.

WARRANTY:

Century warranties our Glasstec enclosures to be free of defects in workmanship for a period of one (1) year. Liability on any claim of defective design and workmanship is limited to the replacement of defective material only. Century is not responsible for labor or other installation costs for the repair or replacement of defective merchandise.

Damage attributed to abuse; misuse, careless handling, alteration, improper installation or maintenance, abnormal chemical cleaning, abrasives, discoloration or stains due to improper water chemistry, or accidental damages are not covered by this warranty.

BRASS WALL MOUNT HINGE DOORS

STANDARD FEATURES ON GW MODELS

- Solid Brass wall mounted hinges - dual acting
- Extruded Aluminum or Brass wall channel for stationary panel(s) where indicated
- Frameless 3/8" Clear glass with 90 degree edges
- Standard 24" door width on Door/Panel and Corner Enclosure models
- **Aluminum Standard Finishes:** Silver Anodized Aluminum; Gold Anodized Aluminum
- **Solid Brass Standard Finishes:** Polished Chrome; Satin Chrome; Polished Nickel; Satin Nickel
- 6" C-Pull handle

AVAILABLE UPGRADES FOR GW MODELS

Please see the red pages in the back of this catalog for upgrade information and pricing

Glass Upgrades Available:

(see page 18 for pricing, clear glass standard)

Antique	Bisselux	Bronze Tint	Bubble
Grey Tint	Rain	Starphire	Aquatic
Cascade	Mist	Vertical Wave	Glue Chip

GeoGlass available on model 70 only

Diamon Fusion Protective Coating - \$7 per sq ft

1/2" Glass Upgrade Available:

1/2" glass available on all GW models (3/8" clear glass is standard). Due to overall bow and warp tolerances, we recommend 1/2" glass for all units 84" and above. 1/2" Clear glass - add \$12 per sq ft. See page 18 for additional pricing.

Mitered Glass NOT Available:

Mitered Glass is not available on GW models due to dual acting hinge

Metal Finish Upgrades Available:

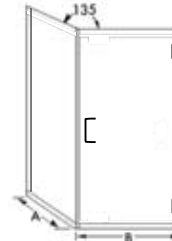

(standard finishes listed above)

Satin Chrome / Nickel Aluminum - \$50 per door/panel
 Colortec Paint - \$150 per door/panel
 Custom Paint - \$350 setup + \$150 per door/panel
 Antique Brass, Brushed Bronze & 24K Gold - call factory

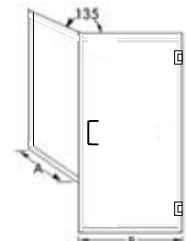

Hardware Upgrades Available:

(6" C-Pull handle standard, see page 16)

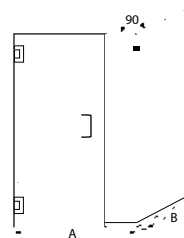

6" Circle - \$85	8" C-Pull - \$90
6" Spindle - \$80	8" Spindle - \$100
6" Bow - \$80	8" Bow - \$100
6" Molded - \$100	8" Molded - \$125
6" Highline Round - \$150	6" Highline Flat - \$150

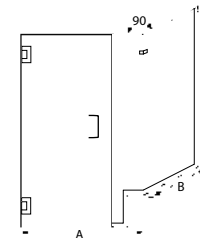

GW-1669-2/3
Two-Thirds Neo-Angle with Wall Channel

GW-1669-2/3-B
Two-Thirds Neo-Angle with Buttress Panel and Wall Channel

GW-1631
Corner Enclosure with Wall Channel and Corner Clip (see clip pricing, pg 17)

GW-1631-B
Corner Enclosure with Buttress Return, Wall Channel & Corner Clip

GW models with panels - Openings up to 48" do not require a header. Over 48", a header is recommended. Add to list price: Aluminum Header - \$10 per ft. Brass Header - \$80 per ft.

Standard units are made without a threshold. Depending on base condition, slope, and water contact with door, a full bottom track may be necessary to prevent leakage. You MUST specify if needed.

WARNING: It is not recommended to hang a door that exceeds 80 lbs. or 28" with two wall mounted hinges. We recommend three. Please see Weight Data below.

Weight Data:	lbs.
3/8" Glass	5.0 lbs/sq. ft.
1/2" Glass	6.5 lbs/sq. ft.
Example: 24" x 72" Door, 3/8" Glass	
24 x 72 = 1728 ÷ 144 = 12 sq ft x 5 = 60 lbs.	

* Some sizes are available in Glasstec **Quick Ship Program** providing lower pricing and quicker delivery. See page 19 for details

BRASS WALL MOUNT HINGE DOORS

**GW Wall
Mount
Hinge**

**Standard
Glass:**

3/8" Clear - 90° Edges

Aluminum Standard Finishes:

Silver Anodized Aluminum Gold Anodized Aluminum

Solid Brass Standard Finishes:

Polished Chrome Satin Chrome
Polished Nickel Satin Nickel

Optional Clips:

Clips may be used in place of wall channels. See page 17 for pricing.

Return panels without a header require a corner clip. See page 17 for pricing.

This hinge system is only as safe as the substructure it has been mounted to. Unlike the CENTURY pivot system, this hinge system has all the weight of the door on the wall.

It is your responsibility to establish the condition to which you are mounting the hinges and to select the proper fasteners.

ORDERING METHOD

Select the model number which identifies the enclosure type. Next, select the desired metal finish, glass style, glass thickness, and hardware. For best results, Century recommends completing the appropriate measuring guide to report accurate dimensions.

Examples:

Model Number	Metal Finish	Glass	Glass Thickness	Hardware
G-CT-636-B	AB	ER	1/4"	Bow Towel Bar
Solid brass sliding corner tub enclosure with buttress return; antique brass finish; 1/4" reed glass; bow towel bar				
GAP-1628	SL	RN	3/8"	6" Spindle
Aluminum pivot hinge panel, door, panel; silver anodized aluminum finish; 3/8" thick rain glass; 6" spindle handle				
GPW-1631	CM	CS	1/2"	6" Molded
Brass pivot wall mount hinge corner enclosure; custom color match finish; 1/2" cascade glass; 6" molded handle				
GW-1629	OB	ST	3/8"	8" C-Pull
Brass wall mount hinge french doors; oil rubbed bronze finish; 3/8" starphire glass; 8" c-pull handle

Decorative Clips

Stationary Clip: Designed to secure a fixed panel to a wall, sill, or ceiling. 3/16" clearance between glass and wall for silicone. 3/4" x 1 1/4" hole notch required. Available for 3/8" and 1/2" glass. Add \$110 per clip.

90 degree Corner Clip: Designed to secure two panels to create a 90 degree corner. Two 5/8" diameter holes required. Available in 90 degree or mitered, 3/8" or 1/2" glass.

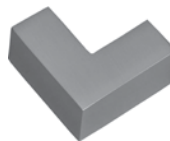

90 degree glass edgework: add \$190 per clip.

Mitered glass edgework: add \$190 per clip plus \$3.00 per inch which covers both sides of the miter.

Neo Angle 135 Degree Clip: Designed to secure panels to create a 135 degree corner. Not available for special angles. Two 5/8" diameter holes required. Available for 3/8" or 1/2" glass. Add \$190 per clip.

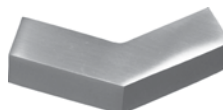

Decorative clips are available for most models as an option to replace headers or wall channels. Corner clips are required for any return unit without a header.

Top 90 Degree Corner Clip: Mounts directly on top of panels to secure a 90 degree corner. Does not require glass fabrication holes. Available in 90 degree or mitered, 3/8" or 1/2" glass.

90 degree glass edgework: add \$80 per clip.

Mitered glass edgework: add \$80 per clip plus \$2.70 per inch which covers both sides of the miter.

Top Neo Angle 135 Degree Clip: Mounts directly on top of panel to secure a 135 degree corner. Does not require glass fabrication hole. Available in 3/8" or 1/2" glass. Add \$95 per clip.

* GeoGlass available on sliders and model 70 only

Formula for Square Feet:

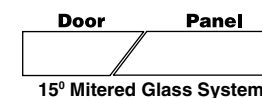

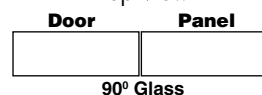

Door Width in inches x Door Height in inches ÷ 144 = Square Feet

Example:

A door of 28" width and 80" height = 16 sf
 $28 \times 80 = 2240 \div 144 = 15.5555$ (round up to even number)

Mitered Glass provides a cleaner look, giving the appearance of one piece of glass. It is an upgrade available on some models as indicated on each product page. See pricing listed below.

Top View

Model	Add to List
70	\$125
1627	\$250
1628	\$500
1631	\$500
1632	\$750

Diamon Fusion

Diamon Fusion bonds to glass to form an ultra-thin protective layer of optically clear durable material making the surface significantly easier to clean. It is available on all Century shower doors. Add \$7 per square foot.

GLASSTEC QUICK SHIP PROGRAM

Available on models, sizes, and finishes listed below using 3/8" Clear glass only. The Glasstec Quick Ship Program provides fast delivery and discounted prices on the most popular sizes in our Glasstec Line.

Actual measurements must conform as indicated on each model.
